Dear Interested Party,

Thank you for your interest in the Lakewood-Laona Ranger District's Vegetation projects. I am initiating the Lakewood Southeast Project. This project area is located in Township 31-32 North and Range 17 East.

The project activities may include timber management for age and density, reforestation, wildlife habitat improvement, fuels reduction, and road management. Due to the large volume of recipients and the increasing costs of mailing, all information on the Lakewood Southeast Project is available on the web at:

<http://www.fs.fed.us/r9/cnnf/natres/index.html>

If you do not respond to this scoping letter, you will not receive any more information on this project.

I will receive scoping comments until 30 days after the publication of the Notice of Intent in the Federal Register. Please return your comments to: Marilee Houtler at the Lakewood Office address or fax above. Or you can send e-mail comments to:

[comments-eastern-chequamegon-nicolet-lakewood@fs.fed.us](mailto:comments-eastern-chequamegon-nicolet-lakewood@fs.fed.us)

If you would like this information emailed or a hard copy sent to you, please contact the Lakewood Office at the above address. For further information, contact Marilee Houtler, NEPA Coordinator at the address or phone above.

Sincerely,

*/S/ JEFF SEEFELDT*
